## CTPF Trustees Suspend Decision to Limit Subsidy Eligibility

On August 19, 2010, CTPF Trustees voted to continue to offer a health insurance premium subsidy to members enrolled in **non-CTPF health insurance plans**, until further analysis can be performed.

This decision suspends the Trustees' June 22, 2010, decision limiting the subsidy eligibility to members enrolled in a CTPF or CPS/Charter School COBRA health insurance plan. Trustees determined that the potential impact to retirees warranted additional review and consideration.

The Trustees recognized that the decision to limit subsidy eligibility is a substantial change. Leaving the program in place allows members more time to consider health insurance options.

CTPF offers a wide range of excellent health insurance plans to members and their eligible dependents. Members who participate in a CTPF plan receive any available health insurance premium subsidy directly in their monthly pension benefit and do not have to file paperwork or claims at the end of the fiscal year. Members may enroll in or change CTPF health insurance plans during the upcoming Open Enrollment Period, October 1 – November 12, 2010. Changes made during open enrollment become effective January 1, 2011.
