INTERIM EXECUTIVE DIRECTOR’S MESSAGE
My new role is a short-term bridge to ENSURE CONTINUITY OF SERVICE to our VALUED MEMBERS

On February 10, 2021, The CTPF Board of Trustees voted to name me Interim Executive Director of the Chicago Teachers’ Pension Fund (CTPF). I appreciate the trust of my colleagues and the opportunity to be appointed to this important position as we work together to ensure seamless operations during the search for a permanent executive director. The national search, being conducted by EFL Associates, is expected to take three to six months.

My new role is a short-term bridge to ensure continuity of service to our valued members as we continue the search for a permanent Executive Director. I cannot stress it enough; my priority has always been and will continue to be the stability and success of the Fund.

I am pleased to report that despite the volatility in the financial markets, the market value of the Fund climbed to $12.2 billion as of December 31, 2020. We know that during these volatile times, members continue to be concerned about the security of their pension. CTPF pensions are secure. When members vest, they qualify for a lifetime pension, guaranteed by the Illinois Constitution.

Pensions are determined by a formula and do not change with market conditions. Our professional fund managers implement the Fund’s investment policy, designed to obtain the highest expected return on investments with an acceptable level of risk. While market volatility may be unsettling, it’s important to recognize that we invest prudently in a diversified portfolio designed to weather market volatility over the long term.

It seems cliché to say but it is a truth – we are experiencing turbulent times that have changed how we live, work, and interact. Our institutions and our world will look different when we emerge from the pandemic. What has and will be constant is our desire to be part of the solution. We are well positioned to succeed as we seek physical health, social equity and justice, and financial stability.

I am profoundly grateful and honored to lead the Fund and work on your behalf, and look forward to working with all of you.

BLACKWELL NAMED CTPF INTERIM EXECUTIVE DIRECTOR

The CTPF Board of Trustees voted to name Board of Trustees President Jeffery Blackwell interim Executive Director of CTPF. Blackwell’s appointment ensures seamless operations during the search for a permanent executive director. The national search is underway and being conducted by EFL Associates. The appointment is necessitated by the retirement of Interim Executive Director Mary Cavallaro on January 20, 2021.

Blackwell stated, “The Board of Trustees has developed a transition and recruitment strategy for Fund leadership. This new role is a short-term bridge to ensure continuity of service to our valued members as we continue the search for a permanent Executive Director. My priority has always been and will continue to be the stability and success of the Fund.”

Blackwell was elected to represent Teachers in 2010, and re-elected in 2013, 2016, and 2019. He has served as President of the CTPF Board of Trustees since 2018. A 22-year veteran of the Chicago Public Schools, he currently works with students with special needs and established a student mentoring program. An active member and delegate of the Chicago Teachers Union, he has served on the Executive Board and Pension Committee, and as a delegate to the American Federation of Labor and Illinois Federation of Labor Conventions. He earned a Bachelor of Science in Education, a Master of Science in Special Education, and a Master of Arts in General Administration from Chicago State University.

DID YOU WORK HERE?

CTPF has a policy to routinely audit charter schools to review employee records to ensure that the Fund receives all contributions due.

Some schools have closed which makes it difficult to audit records, and this can present issues when members who worked at these schools apply for retirement. CTPF is trying to locate individuals at the following now closed schools who may have had insight into the payroll process:

- Choir Academy Charter School
- Global Alliance Preparatory Charter School
- Lake View Academy Charter School
- Nuestra America Charter School
- Triumphant Charter School

If you worked at any of these schools and have current contact information for former school leaders or individuals who had access to payroll records and information, we’d like to hear from you.

Considering retirement in 2021?
The steps you take now can ensure a smooth transition.

GETTING STARTED
If you have not done so within the last year request a pension estimate from Member Services and download the 2021 Retirement Application. Read through the form, start collecting your required documentation, and make a list of questions you need answered.

CTPF hosted four retirement webinars which featured presentations from CTPF staff, CTPF, the Chicago Public Schools, and the Social Security Administration. You can find a recorded version along with the presentation materials on the retirement resources page at ctpf.org.

THINGS TO CONSIDER
Retirement involves many steps and considerations. Before applying to retire with CTPF, consider the following:

- Retirement is a two-step process and you must terminate/retire from your employer and any reciprocal system, if applicable -- CTPF cannot process your retirement benefits until that process is complete.
- Make sure you receive the credit you deserve – do you have credit in another Illinois public pension system? If you qualify and retire under reciprocity, your benefit will be based on your highest final average salary (FAS) and each system pays a proportion of your pension. You must apply with each retirement system to take advantage of this benefit.
- Can you increase your benefit through a service purchase from an unpaid leave, refunded or other public teaching service, or military service?
- What pension percentage will be applied to your benefit? Review your estimate to determine if your benefit will be paid at the maximum rate (2.2%)? If not, are you eligible to pay to upgrade to the higher percentage?

THINK THROUGH HEALTH INSURANCE
Employer-sponsored group health, dental, and vision insurance coverage will end at retirement. Now is the time to research your options and decide on a plan so your coverage continues without interruption. CTPF does not automatically enroll you in any post-retirement health insurance coverage.

ANSWERS TO YOUR QUESTIONS
Members who need retirement counseling can schedule virtual appointments with CTPF Member Services Counselors. Appointments are available, Monday - Friday from 8:00 a.m. - 4:00 p.m. Call: 312.641.4464 to schedule.

Have a quick question? Try emailing MemberServices@ctpf.org.

myCTPF A NEW RESOURCE FOR MEMBERS
CTPF has launched its new Self-Service Portal, myCTPF. Members who register for myCTPF create a unique User ID and password. Once an account is created, members can use myCTPF to securely access CTPF documents and information.

Registered members can:
- View address/contact information on file with CTPF.
- Retirees can view and download a 1099-R and pay advice(s).
- Active and inactive members can view and download their annual Member Statement.

myCTPF is available to all CTPF members who complete the one-time registration process.

Members can access the system from a “button” at ctpf.org, and must have their CTPF Member ID to register. Two-factor authentication ensures secure access. Retirees can find their Member ID on a pay advice from the Fund.
Every retirement situation is different, and evaluating your options takes time and energy. CTPF has helpful information online to get you started; visit the Leaving Employment section under “Active Members” on ctpf.org.

Be sure to check with your current employer to learn about the resignation process. You should also contact any previous employers to obtain the necessary paperwork if they are part of the Reciprocal Pension System. You can learn more about the employers covered under the Illinois Reciprocal Act under “Reciprocal Systems” on ctpf.org.

Retirement webinars were offered four times in February and March. The webinars and the presentation materials have now been posted on the Retirement Resources page for on-demand viewing. The webinars cover the CPS and CTPF retirement process and can help you jump start (or complete) your retirement application.

Your CPS email will expire when you retire, so it’s important to keep a personal email on-file with CTPF. Find a registration link at ctpf.org.

Funding Pensions

Pensions Matter

Pensions provide secure and stable retirements for teachers, administrators, and public school personnel, and provide an economic engine for our city and state.

Established in 1975, CTPF is the Oldest Pension Fund in Illinois
