The CTPF Board of Trustees changed the Election Policy to allow the collection of petition signatures online, the distribution of voting credentials by U.S. Mail, and the opening of the voting site the day materials are mailed.

Voting Credentials Distributed by Mail

Voting for the CTPF Teacher Trustee Election takes place online using secure electronic ballots. CTPF will send voting credentials to teachers' homes via U.S. Mail the week of October 18, 2021. The election agent will send reminder emails with voting credentials during the voting period.

Digital Tool Kits

CTPF is asking Pension Representatives to post information in schools and to distribute electronic information to colleagues so they are aware of election changes. Posters will be sent to your school next week. CTPF is also providing digital tools that can be shared using email or other electronic means available at school. We appreciate your assistance in distributing this information using the resources you have available.
