Trustees Cut Ribbon on New Office Space

January 16, 2020, the CTPF Board of Trustees officially opened their new meeting space at 425 S. Financial Place. CTPF moved from its former space at 203 N. La Salle Street on November 22, 2019.

"While our former office space served us well and we enjoyed much growth there," said President Blackwell, "it is at our new space that we will achieve future success. It is particularly significant to note that we are unveiling our Board Meeting Room as we embark on the celebration of our quasiquintennial - 125th anniversary in 2020."

CTPF holds its most important meetings in the Board Meeting Room. CTPF Trustees, members, employees, and the public will benefit from the newly renovated contemporary space including enhanced security and safety, technology upgrades, more comfortable seating for members and guests, and a physical layout that is more conducive to public dialogue.

The quasiquicentennial provides a unique opportunity to reflect on the rich history of the Fund, and renew CTPF's commitment to helping teachers from the very first day to the very last and beyond.

Security Enhancement for 1099-R Forms

As an added security measure, Social Security numbers on 1099-R forms issued in 2020 will be truncated (**_*-**-1234). Employer Contribution Reporting

Each pay period, Employers remit employee pension contributions to CTPF. Illinois law requires that these contributions be made within a certain time period. If the Employer does not send the funds within the required time, penalties may be assessed. Recognizing the importance of informing members of Employers who are late in making their employee contributions, the Board directed CTPF staff to publish a listing of delinquent employers.
