MISSION STATEMENT

To provide, protect, and enhance the present and future economic well being of members, pensioners and beneficiaries through efficient and effective management of benefit programs, investment practices, and customer service, and to commit to earning and keeping the respect and trust of the participants through quality service and by protecting retirement benefits, in compliance with applicable laws and standards.

EXECUTIVE DIRECTOR’S MESSAGE

I am eager to BUILD upon the MOMENTUM CTPF has created this fall as we work on NEW INITIATIVES and look forward to MODERNIZING our technology, operations, and processes to improve your overall MEMBER EXPERIENCE with the FUND.

As I approach my five-month anniversary as CTPF’s Executive Director, I am pleased that I have gained new perspective and a better understanding of the needs and priorities of those within CTPF and those we serve.

I am reminded each day that my role at CTPF speaks to my passions, skillset, and guiding principle that all members deserve to retire with dignity and financial security. It is a guiding principle that I know you, as members, care deeply about.

This is my first issue of Pension News, and I wanted to share a little of my professional journey in retirement and finance. A Chicago native, I attended Whitney Young High School, and began my career at CTPF as an Active Accounts Counselor back in 1990. I earned my Bachelor of Business Administration from American Intercontinental University, and was promoted to a management position at CTPF. After 17 years at CTPF, I had the opportunity to serve in leadership roles with public pension plans in Georgia (ERSGA) and Illinois (TRSIL), where I gained a wealth of experience in all aspects of public pension fund administration over a 16-year period. I also earned my J.D. along the way and bring a breadth of experience back to CTPF. The work I do each day to move CTPF forward encompasses a lifetime of industry service and commitment – and a longtime goal of returning to CTPF as Executive Director.

I am eager to build upon the momentum CTPF has created this fall as we work on new initiatives and look forward to modernizing our technology, operations, and processes to improve your overall member experience with the Fund. I’m here to guide and support the efforts of the team as a leader, to ensure our members are informed, and also to learn.

I’ve learned that we have a fantastic team here to serve you. They value kindness, acceptance and selflessness combined with professionalism, experience and continuous improvement. We will continue to challenge ourselves to get better as a team for our membership as we create a brighter future together.

One of the most enjoyable aspects of my job so far has been connecting with CTPF members and stakeholders, and I look forward to our continued work in the years ahead. Thank you for the warm welcome and happy holidays and best wishes for the New Year.

Carlton Lenoir, Sr.
Executive Director

1099-R MAILING
The 2021 1099R mailing for pensioners will be sent by January 31, 2022, to the address on file at the CTPF on December 14, 2021. The forms will also be posted in the myCTPF Member Self Service Portal at the time they are mailed. If you need a replacement form, you are encouraged to create an account at myCTPF so that you can download it directly. (See page 3)

As an added security measure, Social Security numbers on the forms will be truncated (***-**-1234). Replacing the first five numbers with asterisks will help protect member personal identifying information in accordance with Internal Revenue Service protocols. The electronic Form 1099-R sent to the Internal Revenue Service will include the full nine-digit Social Security number for matching purposes.

CHECK YOUR CHECK IN 2022
January 2022 payments may include an Automatic Annual Increase (based on eligibility and Tier) and deductions for the new health insurance rates. Review your January 2022 pension check carefully. If you need assistance or notice an error, please contact Member Services.

ADDRESS CHANGES
Address changes cannot be made over the phone. Retirees must send a written and signed request to change their address or complete a Change of Address form (Form 107) and return to imaging@ctpf.org.
Changes made during the CTPF Open Enrollment period (October 1-31, 2021) go into effect January 1, 2022. The CTPF health insurance premium subsidy will remain 60% in 2022, and those changes will be reflected in January pay advices. An overview of benefits and costs for 2022 can be found in the 2022 Health Insurance Handbook at ctpf.org.

MEDICARE PREMIUMS
The Centers for Medicare and Medicaid Services (CMS) have announced Medicare premium rates for 2022.

The standard Medicare Part B premium for 2022 will be $170.10 (which includes a $3.00 service fee that CTPF does not subsidize). CTPF will provide a subsidy of $100.26 per month for all qualified members. If you make Part B payments directly to Medicare, CTPF provides the subsidy by adding $100.26 to your monthly pension benefit.

Some members are subject to IRMAA fees. CTPF does not subsidize Part B fees, late enrollment penalties or Part B IRMAA amounts. All CTPF members receive the same Part B subsidy.

CTPF OFFERS SPECIAL MEDICARE WORKSHOP
This fall’s Medicare season featured a record number of advertisements and solicitations for Medicare supplemental plans, and many CTPF members reported being overwhelmed by Medicare solicitations. CTPF Health Insurance Manager, Carrie Berkich, stepped in to offer a webinar for members to help them better understand Medicare Open Enrollment from a trusted source.

The December 1, 2021, webinar on 2022 Medicare Open Enrollment – What Not to Do, offered an overview of CTPF Medicare plans, explained how members may be unenrolled from a plan by Medicare, and a Q&A session. The information session has now been posted at ctpf.org/open-enrollment.

Members with questions about plan options or coverage can email Member Services, Memberservices@ctpf.org, or call 312.641.4464.

TAX WITHHOLDING ADJUSTMENTS
Pensioners who want to change the amount CTPF withholds each month for Federal tax should complete Form 420 (W4P), available at ctpf.org/forms and return it to CTPF.

WITHHOLDING OPTIONS
Pensioners can specify the withholding amount they prefer. Pensioners may choose not to have federal income tax withheld from their pension payments, but there may be penalties for not paying enough federal income tax during the year, either through withholding or estimated tax payments.

If you don’t submit a Form W-4P to CTPF, the Fund must withhold from periodic payments as if you’re married claiming three withholding allowances. Your Form W-4P stays in effect until you change or revoke it. If you have questions about your W4P, please consult a tax advisor. CTPF cannot give individual tax advice.
As of October 31, 2021, the approximate current value of CTPF’s investments was $13.4 billion.

**ILLINOIS ECONOMIC OPPORTUNITY REPORT**

The Chicago Teachers’ Pension Fund (CTPF) submitted its twelfth annual report on Illinois Economic Opportunity Investments, to the Governor and the General Assembly this fall. As of June 30, 2021, CTPF employed 19 Illinois-based investment managers who managed assets with a market value of $3.1 billion. These assets represented 23.7% of CTPF’s investment portfolio. The Trustees of CTPF adhere to an informal policy of selecting Illinois-based managers, with all other factors being equal and utilizes investment opportunities to contribute to the growth of the Illinois economy.

“CTPF Trustees and staff have a strong commitment to the economy of the State of Illinois. This is evident in our annual Illinois Economic Opportunity Investments report that is sent to the Governor and the General Assembly. For nearly a decade, Illinois-managed assets have accounted for a significant percentage of our total fund. We are proud to promote economic activity in Illinois through our holdings and our use of Illinois-based external managers and broker/dealers,” stated Interim Chief Investment Officer and Executive Director Carlton W. Lenoir, Sr.

**TOWN HALL WEBINAR**

CTPF offers quarterly, Town Hall webinars which share up-to-date information about the Fund and its operations. The webinars generally last about 40 minutes and require registration in advance. The winter webinar will be held Wednesday, January 26, 2022, at 4:30 p.m.

RETURN TO WORK RULES REMINDER

A CTPF retiree may decide to return to work on a part- or full-time basis. But there are some rules to be aware of to keep your pension from being jeopardized.

Returning to work on a permanent, annual basis for a Chicago Public School, in a Chicago charter or contract school, or for another Employer (Employer) contributing to CTPF will result in your pension being immediately canceled, to resume only upon re-retirement.

A retiree is restricted as to how many days, during each fiscal/school year (July 1–June 30) they can work for an Employer contributing to CTPF without affecting their pension and, if applicable, health insurance subsidy for that fiscal/school year. The restrictions apply regardless of whether the employment is through a third-party contractor, an employment agency, or any other vendor.

Serious financial consequences can occur (including the loss and/or required repayment of your pension and, if applicable, health insurance subsidy for that fiscal/school year) when limitations are exceeded. You must notify CTPF in writing before beginning employment with an Employer.

**Definition of Day**
A retiree will be considered to have worked a “day” for return to work purposes, if the Employer reports the retiree as having worked for one hour or more during a calendar day. However, a “day” shall not include an “in service” day that the retiree must attend in order to qualify as a substitute.

*Note: This definition of a “day” does not affect the accumulation and tracking of hours worked teaching only drivers education courses – i.e. any portion of an hour worked counts toward the “no more than 900 hours” limitation.*

The chart below defines the temporary and non-annual re-employment limitations. A retiree who exceeds either the Employment Limit or the Compensation Limit exceeds the statutory return to work limitations:

<table>
<thead>
<tr>
<th>Retiree Type</th>
<th>Employment Limit</th>
<th>Compensation Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>CTPF retirees who only teach Drivers Education courses in the school year</td>
<td>900 hours</td>
<td>$30,000 or The daily rate paid to retired principals multiplied by 100 for individuals who retired with 5 years of service as a principal.</td>
</tr>
<tr>
<td>All other CTPF retirees</td>
<td>120 days Effective July 1, 2019</td>
<td>$30,000 or The daily rate paid to retired principals multiplied by 100 for individuals who retired with 5 years of service as a principal.</td>
</tr>
</tbody>
</table>

**Notifying CTPF of Re-Employment**
You must notify CTPF if you return to work after retirement. If you are returning to work, you must fill out and return one of the forms: Form 770: Notice of Temporary or Non-Annual Return to Work and Form 773: Notice of Permanent or Annual Return to Work. Forms can be found online at ctpf.org.

Members who have questions about returning to work should contact CTPF Member Services.
