EXECUTIVE DIRECTOR’S MESSAGE

Our MEMBER EDUCATION efforts are just one of many steps we are taking to make sure you STAY INFORMED, ENGAGED, and CONNECTED to YOUR PENSION FUND.

Carlton W. Lenoir, Sr.
Executive Director

Our last issue of Pension News introduced our Strategic Plan, adopted by our Board in June 2022. The first of its kind for CTPF, the plan provides a road map for the next three years and focuses our work and goals on mission-driven topics (see ctpf.org/strategicplan).

The plan is more than words on a page, it’s a living document that impacts our work and your pension fund every day. One of our major goals is to Earn and Keep Stakeholder Respect, and to help us achieve that goal we have several tasks – including providing a comprehensive educational plan for our members.

We offered our first educational session in the spring of 1977, and nearly 46 years later, we continue to offer a robust member education program. While many of our programs have been fine-tuned and are highly successful, we also understand that last year our Member Services team answered about 70,000 phone calls, and each call represents a question. The investment we make in member education pays dividends in the form of our members’ understanding of their benefits and overall satisfaction.

While our robust Open Enrollment and Retirement programming continues, during the past year we have expanded our educational offerings including new webinars for our retired members to help them navigate Medicare and the Outside Rebate Process. Working with our stakeholders at CTU we launched “CTPF To You” for our active members to ensure that current teachers learn more about and more fully understand their future benefits. Our Quarterly Town Hall webinars feature seasonal and timely updates to keep you informed.

Our Pension Reps have provided an important link between the Fund and its members for nearly 50 years, and we wanted to make sure they continue to feel connected and engaged. We’ve increased our outreach to this important group, adding more frequent communications, and expanding the fall educational program.

We value the feedback we receive from our members and have added surveys to each of our communications so we can adjust, change, and continue to improve. Our Member Education efforts are just one of many steps we are taking to make sure you stay informed, engaged, and connected to your Pension Fund. I look forward to sharing more examples with you as we make priorities realities and move our Fund forward, building and learning together.

CTPF TAKES ACTION ON FOSSIL FUEL HOLDINGS

The Chicago Teachers’ Pension Fund (CTPF) Board of Trustees voted to immediately commit to engage with fossil fuel companies to encourage them toward a path of clean renewable energy sources and to divest from fossil fuel holdings and/or to invest in viable clean energy sources to fully offset the Fund’s fossil fuel investments by December 2027. As of September 2022, CTPF has identified approximately $350.4 million in coal, oil, and gas-related publicly traded debt and equity investments about 3.3% of the total Fund.

“The action taken by our Trustees marks an important milestone in our Fund’s investment policy. Our Board of Trustees has long understood that responsible and sustainable investments must form the core of our investment strategy, and our investment policy has included language consistent with the statute which requires the Fund to consider environmental, social, and governance principles when making investment decisions. This most recent step spells out a timeline for action that recognizes the urgent and accelerating global crisis that climate change represents,” said Carlton W. Lenoir, Sr., CTPF Executive Director.

“These actions were taken with considerable research, thought, and care. As fiduciaries, our Trustees must invest consistent with our mission to protect and enhance the present and future economic well-being of members, pensioners, and beneficiaries, and we are confident that this action fulfills that responsibility,” said Lenoir.

The decision to divest was the culmination of a yearlong study of the issue. At the October 22, 2021, Board of Trustees meeting, the Board voted to formalize CTPF’s commitment to study the divestiture of fossil fuels in a prudent manner with a report to the Board as soon as practical. Under this direction, the Fund’s investment consultant, Callan and Fund staff initiated the process. The Board of Trustees attended educational sessions on Environmental, Social, and Governance (ESG) strategies and implementation options in January and March 2022. Concurrently, a set of Investment Beliefs was drafted and finally approved at the April 2022 Board meeting. These Investment Beliefs ensure CTPF’s investment philosophy are reflective of its views and culture. At the August 23, 2022, Investment Committee meeting, the committee voted to move forward with a divestment recommendation for the full board.

During the meeting, the Trustees also authorized the issuance of an Request for Proposal for a proxy voting firm which is expected to play a significant role in the engagement and stewardship of the Fund’s public equity investments.

TAMMIE F. VINSON APPOINTED TO FILL TEACHER TRUSTEE VACANCY

During their February 16, 2023, meeting, the CTPF Board of Trustees voted to appoint Tammie F. Vinson to fill the vacant Teacher Trustee position created by the December 31, 2023, retirement of Trustee Tina Padilla. Trustee Vinson will serve until the next election scheduled for November 2023.

Trustee Vinson has been a lifelong resident of the Westside of Chicago, and a CPS educator for more than 20 years. She currently works as an Early Childhood special education teacher at Oscar Depriest in the Austin Community. Find more information at ctpf.org/newsfeed.

MEDICARE FRAUD WARNING
The Illinois Department on Aging is again warning Medicare recipients about Medicare fraud. Scammers call with a story about the Centers for Medicare and Medicaid Services (CMS) issuing more permanent plastic coverage cards, and asking card holders to confirm their ID number – this is false. New plastic cards are not being issued. Do not share any personal information over the phone, and the safest thing to do is hang up. Medicare will NEVER call you for personal information over the phone.

TOWN HALL WEBINARS
CTPF offers quarterly Town Hall webinars which share up-to-date information about the Fund and its operations. The webinars generally last about 40 minutes and require registration in advance. The next webinar will be June 1, 2023, at 4:00 p.m. Find registration information at ctpf.org/calendar. Recordings of previous Town Hall Webinars are available on demand at ctpf.org.

MAIL PROCESSING
Many members have experienced delays with US mail delivery and processing may be delayed. The best way to ensure prompt processing is to send benefit applications, forms, and documents by fax 312.641.7185 or email an attachment (.JPG or .PDF format) to imaging@ctpf.org. Need help scanning without a scanner? Visit ctpf.org/covid-19 for instructions on how to use your phone as a scanner.

REMOTE NOTARY AVAILABLE
While CTPF accepts many documents via email or fax, the requirement for a notary to witness signatures remains in place for certain documents. CTPF offers remote notarization for CTPF documents. Members who would like to use remote notary services should call or email Member Services at 312.641.4464, or memberservices@ctpf.org, and request a video conference for notarization.

LOST PAYEE NOTICE
CTPF is trying to contact members who are over age 72, but who have not initiated a pension or taken a refund of their contributions. CTPF has posted a list of Lost Payees online at ctpf.org/leaving-employment. If you have information or know how to reach any of these individuals, please contact Member Services, at memberservices@ctpf.org or 312.641.4464.

OUTSIDE REBATE APPLICATIONS
Members who receive their health insurance from a source outside of CTPF during calendar year 2022 are eligible for an annual rebate of a portion of their health insurance costs. Members must file an application and provide proof of premium paid for the 2022 year. The application packet for the rebate was mailed to members on February 28, 2023.

Applications must be returned to CTPF with all required documentation no later than August 31, 2023. CTPF will offer two webinars to assist with completing the application, March 17 at 1:30 p.m. and March 23 at 10:00 a.m. Find registration information at ctpf.org/calendar. Webinars will be posted online after the live presentations are completed.

REDEFINING RETIREMENT:
NO REGRETS IN RETIREMENT
Dr. Janice Fortman started her career in 1976 with CPS, and taught at various schools around Chicago before retiring in 2007. Dr. Fortman is Redefining Retirement by not letting her age stop her from doing what she loves, and uses what she learned and experienced in her career to offer guidance to others through books, coaching, and television. She encourages other retirees to not retire from life. “My advice is to go for it, don’t leave this life with regrets!” she said. Read more of Dr. Fortman’s story at ctpf.org/redefining-retirement.
