REPORT OF THE REAL ESTATE INVESTMENT CONSULTANT

Review of Third Quarter Real Estate Performance Report

Mr. Robert Kochis and Mr. Chris Cunningham of the Townsend Group reviewed the quarterly performance report ending December 31, 2013. They reported that CTPF has approximately \$1.4B invested in Real Assets, comprising 13.2% of the total plan assets. They reported that Real Assets have provided solid returns to CTPF across the board. Performance was strong relative to the benchmark for 2013. Real Assets are well diversified across private and public market real estate and infrastructure. Mr. Kochis noted that infrastructure funds have delivered over 11% returns. Mr. Wohl asked about the possibility of acquiring closed CPS school buildings as a part of the Fund's Infrastructure investments. Mr. Kochis responded that school buildings are considered commercial property and would not be classified as Infrastructure. He noted that there may be investment opportunities in other sectors of real assets. He reviewed the global economic outlook and real estate investment opportunities and indicated that the Industrial sector is an area of interest. Mr. Kochis and Mr. Cunningham reported that Townsend and CTPF investments staff are evaluating submitted RFPs for the non-core Industrial real estate allocation of up to \$50M. They commented on an upcoming emerging manager RFP later this year for up to \$25M. They also noted Infrastructure is \$50M below the current target and Townsend will likely recommend an RFP later in the year. Mr. Kochis and Mr. Cunningham addressed question raised by the Trustees.

Chairperson Padilla moved the Report of the Committee on Investments to the omnibus.

REPORT OF THE COMMITTEE ON CLAIMS AND SERVICE CREDITS

Health Insurance Analysis

Ms. Mary Cavallaro, Senior Director of Benefits, reviewed the health insurance analysis as of March 2014. Ms. Cavallaro reported that depending on the finalization of the audit for FY13, health insurance expenses are expected to be \$75M for FY14. She noted that for FY15 and FY16 the Fund is expected to maintain a 60% subsidy, however because the carryover continues to diminish, the subsidy is expected to decrease to 50% in calendar year 2016. Ms. Cavallaro explained how members who are enrolled in the CTPF health insurance plans are subsidized. She further explained that in addition to the 18K enrollees, the Fund also subsidizes new retirees under CPS Cobra coverage, as well members with outside health insurance plans. Ms. Cavallaro reviewed the current subsidy eligibility rules and addressed questions raised by the Trustees. Discussion ensued regarding rebating members based on a years of service multiplier. Ms. Cavallaro will run models to determine the financial impact. Discussion further ensued regarding spousal subsidies. Chairperson Reilly recommended scheduling a meeting to discuss health insurance matters.

REPORT OF THE COMMITTEE ON FINANCE AND AUDIT

Fiscal Year 2013 Audit Presentation

Ms. Irene Davis, Mr. Shawn Carter, and Mr. Kenneth Yu of Mitchell & Titus presented the results of the 2013 audit of the Fund in accordance with the generally accepted accounting principles. They reported that the 2013 audit is substantially complete and after completing the remaining procedures they expect to issue an unqualified opinion on the Fund's financial statements. They stated that the management's analysis of significant accounting matters is appropriate, no uncorrected misstatements or corrected misstatements were identified, outstanding cooperation and communication occurred between the Fund and Mitchell & Titus, and appropriate and complete disclosures are included in the notes to the Fund's financial statements. They also reported that there were no ongoing internal control procedures and they found no instances of fraud. The Annual Report was reviewed to ensure no significant variances and none were found. They also noted no unusual practices and no significant disagreements with management. Mitchell & Titus will issue a separate Internal Controls letter which will be presented at the next Board meeting. Ms. Davis, Mr. Carter, and Mr. Yu addressed questions raised by the Trustees. The Audit Report will be presented for formal approval by the Trustees once the appropriate audit materials have been signed by the auditor.

REPORT OF THE FINANCIAL SECRETARY

Financial Statement

The Financial Secretary presented a report on the Fund's net assets, changes in net assets, and supporting reports for the three months ending February 28, 2014, with the recommendation that it be approved and printed in the proceedings of this meeting.

Ms. Padilla inquired about an expense for health insurance automation software as listed in the Financial Statements. Ms. Mary Cavallaro explained that the expense was approved by the Board at the meeting on October 24, 2013. She reported that 2 vendors have submitted Request For Information responses and the Fund is now conducting RFPs. Mr. Eric Morel, IT Manager, explained that the expense was approved for a custom solution and to pursue vendor negotiations, subject to legal review. He further explained that some of the initial expenditures went towards hiring an outside vendor to conduct a preliminary evaluation which included a technology audit of the existing systems. Mr. Morel was asked why the evaluation was not conducted in-house. Mr. Morel explained that the Fund is limited to three application developers and only one has the expertise in the specific framework. He commented that external expertise was needed in order to make sure the evaluation was correct. The Trustees requested that a written report on the expenditures be presented to the Board at each meeting going forward. The Trustees further requested that quarterly departmental reports be presented to the Board.
