## II. BACKGROUND

Established by the Illinois General Assembly in 1895 as the Public School Teachers' Pension and Retirement Fund of Chicago, CTPF administers a multi-employer defined benefit public employee retirement fund. CTPF is administered in accordance with Illinois Compiled Statutes (ILCS) Chapter 40, Articles 1, 17, and 20.

CTPF is governed by a Board of Trustees made up of twelve (12) members. The Board of Trustees oversees the Fund's benefit programs, approves all benefits, makes investment decisions, and provides general operational oversight. Ten members are elected by their representative constituents and two are appointed by the Chicago Board of Education.

For more information about the Fund, please visit [www.ctpf.org](http://www.ctpf.org).

## III. SCOPE OF WORK

The following is a general description of the three types of Elections conducted by CTPF. Bidders should provide descriptions of how they will approach the Election, and additional steps they propose to employ which will insure the integrity of the Elections.

Proposal should include a description of the Bidder's security policies, procedures, and technology used to: (a) safeguard any member data; and (b) insure that the Bidder's system cannot be attacked or breached to affect election results.

A. Election Types	Voting Cycles
Teacher Trustee Election	Two (2) positions elected annually
Pensioner Trustee Election	Three (3) positions elected in odd-number years
Principal/Administrator Trustee Election	One (1) position elected every 3 years

Note: These election types and cycles are subject to change if there is an additional election to fill a Board vacancy or if an election is canceled due to there being the same number or fewer of candidates for the applicable open seat(s).
