### Questions and Answers #1 Related to the RFP for

### MICROSOFT DYNAMICS CONSULTING SERVICES

November 9, 2018

1. Have any customizations been made to the CTPF Dynamics SL application either within SQL or via the Customization Manager module?  
Yes. All of the customizations are workstation customizations, and a detailed list on everything that has been customized can be provided if needed at a later date.
2. Are you using any third-party add-on products that have been integrated with Dynamics SL?  
Yes. Check Software/micr font – MaxQ APPR Laser Checks Client
3. Can you provide a detailed listing of your Dynamics SL licensed modules? This listing can be found on the Dynamics SL registration screen.
  - GL General Ledger
  - AP Accounts Payable
  - PO Purchasing
  - AR Accounts Receivable
  - IV Inventory
  - SI Shared Information
  - CU Customization Manager
  - SY Administration
  - CO Communicator
  - RQ Requisitions
4. What version of Dynamics SL are you currently using? The version can be captured from the “About Microsoft Dynamics SL” screen.  
Microsoft Dynamics SL 2015 – Professional  
Version 9.02.41201.02 (9.0.0.0)
5. Will a group of dedicated support consultants suffice for the dedicated support representative or are you expecting one individual to be the sole support representative?  
Group is fine with us.
6. When you refer to the number of contracts (Page 12, Section J.a.vii), are you referring to contracts with our suppliers or our customers?  
We are interested in the number of current contracts that you have with MWDBE's relating to your company's purchases or subcontracts.

7. How many users are you currently licensed for?  
12 licenses users.
8. Do you have any integrations into SL?  
Yes. Check Software/micr font – MaxQ APPR Laser Checks Client.
9. What version of SL are you currently on?  
Microsoft Dynamics SL 2015 – Professional  
Version 9.02.41201.02 (9.0.0.0)
