Any proposal received at the designated email after the required time and date specified for receipt shall be considered late and non-responsive. Late proposals will not be evaluated for award.

Proposals submitted shall be valid for one hundred twenty (120) days following the closing date noted above. CTPF and the Respondent may extend this period by mutual written agreement. If a solicitation is cancelled before the due date, the offer will be returned to the Respondent who submitted the response.

Respondents may communicate with the Contract and Procurement Administrator or her designee solely regarding administrative questions relating to the procurement process. All other questions must be asked and will be responded to through the RFP question and answer process.

The quiet period shall not prevent customary respondent due diligence, initiated by CTPF, or communications with a current service provider who happens to be a candidate, provided that any such communication must be in the ordinary course of business and necessary for the provision of current services provided by such service provider.
