I. SUMMARY

This Request for Proposal (“RFP”) is being issued by the Public School Teachers’ Pension and Retirement Fund of Chicago (“CTPF” or the “Fund”) to solicit Master Product and Service Agreement (MPSA) proposals for the procurement of information technology products and services from qualified Value-Added Resellers (VARs) of computer information systems hardware, software, service, and support. The purpose of this RFP is to: (1) select VARs to be pre-approved CTPF vendors for information systems hardware, software, service, and support, and 2) to enter into five (5) year MPSAs with these VARs. In order to secure the long-term MPSAs being solicited in this procurement, current vendors with an MPSA or MSA in this area, are encouraged to bid. CTPF would anticipate that successful, current vendors would enter into a superseding five (5) year MPSA. CTPF will purchase products and/or services as needed and at CTPF’s sole discretion from VARs on the approved vendor list.

If you are interested in the proposed engagement, we welcome proposals from qualified firms. Respondents must satisfy the qualifications and requirements outlined herein.

II. BACKGROUND

Established by the Illinois General Assembly in 1895 as the Public School Teachers’ Pension and Retirement Fund of Chicago, CTPF administers a multi-employer defined benefit public employee retirement fund. CTPF is administered in accordance with Illinois Compiled Statutes (ILCS) Chapter 40, Articles 1, 17, and 20.

CTPF is governed by a Board of Trustees made up of twelve (12) members. The Board of Trustees oversees the Fund’s benefit programs, approves all benefits, makes investment decisions, and provides general operational oversight.

For more information about the Fund, please visit www.ctpf.org.

III. SCOPE OF PROPOSAL

CTPF is seeking proposals from qualified Respondents that provide a competitive and comprehensive Master Products and Services Agreement offering information technology products and services to the Fund. The agreement will allow the Fund to purchase on an “as needed” basis under a favorably negotiated agreement from a vendor on CTPF’s approved vendor list. Respondents are requested to submit a catalog of their total line of available products and services. While this RFP solicitation is for an MPSA to procure information technology products and services, Respondents are encouraged to submit a proposal on any or and all products and services available that they currently offer or perform in their normal course of business.

The following information about the scope for the proposal serves as guidelines to provide applicable responses. CTPF reserves the right to select all or some of the products and services covered under an MPSA that best match its needs and budget.

A. Scope of the Master Products and Services Agreement:

1. Provide a comprehensive and competitive Master Agreement offering a wide range of information technology products and services to the Fund.
2. Achieve cost savings through a Quote-to-Order (QTO) process that eliminates the need to solicit multiple quotes for all orders.
3. Advise the Fund on purchasing products from the most suitable and best-of-breed vendors to achieve the best pricing and product and service satisfaction outcomes.
4. Reduce the administrative and overhead costs to achieve cost effective pricing through streamlined purchasing procedures.
5. Additional incentives including but not limited to:
 - Non-profit organization (NPO), state government agency, or education-affiliated level pricing.
 - Discount pricing schedules.
 - Percentage rebates triggered by purchase dollar amount thresholds.
 - Value-added extended warranties to supplement standard vendor warranties.
 - Secure customized Vendor Portal Intranet Site.
 - Notifications of promotional and exclusive discount offers.
