CTPF's investment staff will be receiving and analyzing all responses from this investment manager search.

CTPF's investment policy, procurement policy and Code of Ethics, all of which are posted on CTPF's website (www.ctpf.org), are adopted and incorporated by reference. The investment policy, procurement policy and the Code of Ethics are subject to change.

Staff and members of the Board may interview all, some or none of the RFP respondents, undertake site visits to respondent offices, and conduct such other due diligence as is prudent under the circumstances. Staff will prepare a report and present the report to the Board of Trustees during a public meeting of the Board of Trustees.

The Investment Committee may review finalists in preparation for interviews with the Board of Trustees. Interviews and recommendation for the award of a contract will be made to the Board of Trustees. The Board shall then act on the recommendation of Staff, Consultant and the Investment Committee.

During the selection process all respondents to the RFP will be evaluated and ranked on four primary factors:

People - stability of the organization, ownership structure, documented experience in the management of institutional portfolios, reputation of key professionals, manager tenure, depth of portfolio team and research team and length of team cohesiveness, record of integrity and business ethics.

Process - clearly defined, reasonable, and repeatable investment strategy, consistency of application, risk controls and uniqueness of the process.

Performance - documented ability to meet investment long-term performance relative benchmarks, risk compared to benchmarks, consistency of performance relative to peers.

Pricing - fee schedule and associated costs

Staff is required to identify all minority and female-owned firms and firms owned by persons with a disability in the report presented to the Board of Trustees. Staff must specify the reasons when these firms are not brought forward as finalists.

The Board will select the manager(s) they determine, in their sole discretions, to be fully qualified and best suited among those submitting proposals on the basis of the evaluations. Once the Board has selected an Investment Manager, negotiations for contract terms and conditions will be finalized. The Board may also reject all candidates and begin a new search or seek other candidates from the respondents of the original RFP.

The provisions of this policy will apply to investment manager candidates throughout the quiet period and are hereby communicated to candidates in conjunction with this Request for Proposal.
