Financial Update
FY 2020 Financial Update

In addition to revenue from investments, CTPF receives contributions from the State of Illinois, a tax levy, CPS/Employer contributions, and employees. CTPF received about $851 million as of August 1, 2020, including:

- $306 million in property tax receipts*
- $257 million from the State of Illinois
- $170 million from employee
- $94 million from CPS
- $24 million from charters

Expenses
CTPF paid about $1.5 billion in pension and survivor benefits, $53 million in health insurance subsidies, and $15.3 million in administrative expenses.

* A balance due of $188 million in property tax receipts is expected by August 31, with total expected revenue about $1.039 Billion in external funding.
CTPF Funding Ratio History

- Funding shortfalls begin to take toll
- BOE resumes payments to CTPF
- CPS collects $2B in pension tax revenue; contributes $0 to CTPF.
- GA installs “safety net” to protect fund. State of Illinois agrees to a CTPF contribution of 20+% of amount allocated for TRS. Law also requires CPS to resume contributions when funding falls below 90%. State funding fails to materialize.
- Public Act 100-0465 increases the tax levy to 0.567%. Requires the State of Illinois to pay the normal cost portion of the CPS’ required contribution and $65 million for retiree health insurance costs beginning Fiscal Year 2018.
- In 2016 Illinois legislators pass Public Act 99-0521 reestablishing the pension tax levy. This is the first time since 1995 that CTPF has a guaranteed revenue source.
- BOE requests and receives additional $1.2 billion in pension payment “relief” over 3 years.

FY 2020 Investment Update

CTPF Investment Strategy:

- Maintain a diverse mix of assets
- Accept appropriate risk level
- Invest for a lifetime
Market Volatility

- COVID-19 poses health risks but is also an economic threat.
- There will likely be continued uncertainty moving forward as we have gone from a V-shaped recovery to a W-shaped recovery.
- CTPF has a strong well-structured portfolio designed to weather long-term losses.
- We do not make reactionary decisions, but are disciplined investors.
