2017 Open Enrollment for CTPF Retirees

Choosing a health insurance plan for you and your eligible dependents is one of your most important decisions. The Chicago Teachers' Pension Fund (CTPF) sponsors comprehensive health insurance plans designed to promote wellness and provide high-quality coverage at a reasonable cost. CTPF offers health insurance benefits to retirees, dependents, and survivors if the retiree's final teaching service was with the Chicago Public or Charter Schools.

The Open Enrollment Period for the 2017 health insurance is October 1-31, 2016. During the open enrollment period retirees can:

- Enroll in a health insurance plan for the first time
- Add a dependent to a CTPF plan
- Change a health insurance plan or carrier

Members currently enrolled in a CTPF health plan do not need to take any action to stay enrolled. Changes made during Open Enrollment become effective January 1, 2017.

2017 CTPF Health Insurance Handbook

Look out for your 2017 CTPF Health Insurance Handbook in the mail. Retirees should have books in hand by October 1, 2016.

The Handbook includes a summary of 2017 plan changes, updates and plan costs for Medicare and Non-Medicare Plans, and an enrollment form. This guide is your primary reference material for 2017 Open Enrollment, so PLEASE REVIEW it carefully.
Important Update:
2017 Plan Changes & Updates

CTPF recently became aware of an error in the 2017 Health Insurance Handbook. On page 5, under the heading "BCBS Non-Medicare PPO Pharmacy Network Change", we stated that after January 1, 2017 enrollees would pay the full price for a prescription filled at a CVS pharmacy and that they would need to send a reimbursement request to CVS to receive an out of network benefit. While all of this is correct, this type of reimbursement would actually be sent to Blue Cross & Blue Shield (BCBS), not CVS.

If you have active prescriptions with a CVS pharmacy and you will be enrolled in the BCBS non-Medicare PPO health plan in 2017, CTPF encourages you to have those prescriptions transferred to a pharmacy that is in the BCBS network to avoid having to manually submit a reimbursement request.

If you have any questions about this pharmacy network change, or getting reimbursed for out of network claims, please call BCBS pharmacy customer service at 800-423-1973. You may also go to www.myprime.com to search for a pharmacy that is in network.
