CTPF Joins Leading Institutional Investors to Urge Securities & Exchange Commission to Take Action to Strengthen Fiduciary Protections for Investors in the Private Equity Market

The Chicago Teachers' Pension Fund (CTPF) Board of Trustees unanimously agreed to support weighing in on the U.S. Securities & Exchange Commission's (SEC) ongoing effort to issue a comprehensive interpretation of the fiduciary duties that investment advisers owe to their clients. CTPF has joined nearly three dozen leading institutional investors by signing on to a letter from the Institutional Limited Partners Association. The letter outlines concrete examples of the steps the SEC can take to ensure that the fiduciary duties are meaningful, transparent, and free from conflict of interest in the private equity industry. President Blackwell Honored in 101st General Assembly

Thank you to Illinois State Representative Marcus C. Evans, Jr., for recognizing CTPF Board of Trustees President Jeffery Blackwell as part of the African-American History Moment of the Day on the floor of the Illinois General Assembly.

A Chicago native, product of CPS, and teacher with over 20 years of experience, in November 2018, Blackwell was elected the first African-American male President of CTPF. Rep. Evans also highlighted Blackwell's mentoring of youth and new teachers, his leadership in African investments for the Fund, and his work to promote inclusion and diversity in the State of Illinois.

CTPF's Security Measures Protect Your Data and Identity

Data security is of the utmost importance to CTPF, and we are continuously implementing new measures to protect your data and identity. As technology improves, we improve along with it. One of the security measures we implemented last year was the removal of Social Security Numbers from all outbound correspondence - we replaced the Social Security Numbers with unique Member ID Numbers to better protect your personal information.

In this world of ever-changing technology and ever-evolving security threats, please know the following about CTPF:

- **Member ID Number**: When calling CTPF Member Services, you will be asked for your Member ID Number to verify your identity over the phone. Active Members can find their Member ID Number on their Statement of Estimated Contribution and Benefits, and Retired Members can find their Member IDs on pay advices. If you do not have your Member Statement or pay advice, as applicable, you can request one to be mailed to you via U.S. Mail.
- **Social Security Number**: When calling Member Services, you may use your Social Security Number as an identifier if you do not have access to your Member ID Number, but CTPF will never mail you anything containing your Social Security number.
- CTPF will never send you junk mail or e-mail.

We will always keep you informed of improvements we make to our systems and to our data security measures.

Employer Contribution Reporting

Each month, Employers remit employee pension contributions to CTPF. Illinois law requires that these contributions be made within a certain time period. If the Employer does not send the funds within the required time, penalties may be assessed.

Recognizing the importance of informing members of Employers who are late in making their employee contributions, the Board directed CTPF staff to publish delinquent employers monthly.

"CTPF prides itself on operating transparently, and being good stewards of public funds. Our members make a pension contribution with every paycheck, and they expect their Employers to remit these contributions to CTPF on time. We want our members to be aware of the business practices of their Employers. Receiving regular, monthly reporting regarding contributions keeps our members apprised, and offers them the opportunity to encourage compliance and transparency from their Employers," said Charles A. Burbridge, CTPF Executive Director.

CTPF will include a monthly Employer Contribution Report Beginning with this issue of E-News. The report lists Employers who made pension contributions or payroll record submissions past their due date.
