EXECUTIVE DIRECTOR’S MESSAGE

The SUCCESS of the Fund is due to its MEMBERS, and we LOOK FORWARD to working with all of you as we BUILD on and LEARN from our past ACHIEVEMENTS to make 2018 another SUCCESSFUL YEAR.

I wish I could begin this message the same way I began last year’s—celebrating a World Series win for the Cubs—but that just wasn’t in the cards for Chicago this year. But that doesn’t make 2017 a year any less worthy of reflection and celebration for CTPF and our members.

As always, 2017 was a busy year for CTPF, and one in which we saw a lot of change and continued growth. Perhaps most notable was Governor Rauner signing Senate Bill 1947 into law on August 31, 2017. This legislation changes the Illinois school funding formula by requiring the State to pay the long-sought normal cost of Chicago’s teachers’ pensions. This change would have never come about were it not for the tireless work of our members educating legislators about the importance of fully funding pensions, and so we thank you all for your efforts.

Another victory for pension funding was CTPF’s receipt of the Chicago Board of Education’s full pension payment for Fiscal Year 2017.

Our ongoing antitrust lawsuit involving the world’s largest banks also cleared a major hurdle when it was ruled that the suit could proceed, and the CTPF Board of Trustees unanimously voted to adopt a resolution affirming its commitment to U.S. infrastructure investment.

The CTPF office hired and onboarded more than 30 new employees in 2017 to fulfill a wide range of roles across several departments, allowing us to continue expanding and improving upon the services we offer our members. 2017 was also the first year that CTPF coordinated the Reciprocal Conference, bringing together all of the organizations covered under the Illinois Retirement Systems Reciprocal Act for a day and a half of learning, collaborating, sharing, and networking.

The success of the Fund is due to its members, and we look forward to working with all of you as we build on and learn from our past achievements to make 2018 another successful year.

CTPF PRESENTS 2017 DIVERSITY REPORT

CTPF's year-end report on diversity delivered to the Governor’s office highlighted the Fund’s more than $4 billion in assets invested with Minority, Women, and Disabled Business Enterprise (MWDBE) firms during the 2017 fiscal year.

CTPF has seen dramatic growth in MWDBE investments since its program began more than 20 years ago. The Fund invested 6.1% of assets in MWDBE-owned funds in 1996, growing total investments to 38% at the end of June 2017. The complete 2017 Diversity Report can be found on www.ctpf.org.
CTPF BOARD OF TRUSTEES ELECTIONS

CTPF is governed by a 12-member Board of Trustees who serve staggered terms. Elections are scheduled each November to fill open positions. Elections were completed on Tuesday, November 7, 2017. Due to the number of candidates not exceeding the number of open positions, the CTPF Board elections for two Teacher Trustee positions and one Principal/Administrator Trustee position were cancelled as uncontested. Tina Padilla and Gregory Redfeairn were elected as Teacher Trustees to serve a term from November 2017-2020, and Jerry Travlos was elected as Principal/Administrator Trustee to serve a term from November 2017-2019.

Seven Pensioner Trustee candidates were certified to run for three open positions, and the three elected to serve a term from November 2017-2019 were Walter E. Pilditch*, Mary Sharon Reilly, and Maria J. Rodriguez.

Trustee Installation
The Trustees installed re-elected members, elected officers, and appointed committee chairs on November 16, 2017.

CTPF BOARD OF TRUSTEES ELECTIONS
REMEMBERING CTPF TRUSTEE WALTER E. PILDITCH

Walter E. Pilditch, a CTPF Trustee for more than 20 years, passed away on December 24, 2017, after a brief illness.

The roles Trustee Pilditch undertook for CPS include elementary school teacher and assistant principal, high school principal, magnet school director, and school supervisor for the Bureau of Human Resources. He served as a CTPF Trustee for 20 years, first representing active Principals/Administrators, then representing Retirees. During his time as a Trustee, he served on several committees, in addition to holding the positions of Board Vice President and Financial Secretary.

In addition to his work with CPS and CTPF, Trustee Pilditch was extremely active in his local community, having been involved in the Lions Club, the Beverly Improvement Association, and the CPS Science Fair Board. He was especially proud of his work with the Boy Scouts of America, which he joined at age 12 and which eventually led him to becoming a Scoutmaster and Treasurer for the troop in Chicago's Beverly neighborhood. For his long-term involvement with the Scouts, he was given the highest honor of the Silver Beaver Award.

While we are all saddened by his loss, we also know that Trustee Pilditch's legacy lives on in the Fund he helped to build and lead, and in the lives of countless young people for whom he served as a mentor and guide. We are grateful for the time he shared with us.

*IRMAA adjustments are applied to individuals whose adjusted gross income was higher than $85,000, and to couples whose income was higher than $170,000, in 2016. CTPF does not subsidize these additional amounts. See pages 15-16 of the 2018 Health Insurance Handbook for more information.*

**Part A: (Hospital Insurance) Premium**

Members who have 40 quarters or more of Medicare credit receive Medicare Part A at no charge once they reach age 65. If you do not have 40 quarters of credit, you must pay for this coverage. Members who pay the full Part A premium will see a $9 increase in premium cost from 2017 to $422 per month in 2018.

**Part B: (Medical Insurance) Premium**

For 2018, all eligible members will receive a Medicare Part B subsidy in the amount of $65.50. This amount is based on the standard Part B premium of $131. The $3 Part B government surcharge is not eligible for subsidy.

Changes for all 2018 Medicare subsidies will be effective January 1, 2018. Members receiving a Medicare subsidy in their pension check will see any applicable subsidy changes in their January 2018 check.

**MEDICARE CARD CHANGES**

The Health Insurance Claim Number (HICN) is a Medicare beneficiary’s identification number, used for processing Medicare claims and for determining eligibility for services. The Medicare Access and CHIP Reauthorization Act (MACRA) of 2015 mandates the removal of the Social Security Number (SSN)-based HICNs from Medicare cards to combat risks of beneficiary medical identity theft. The legislation requires that the Centers for Medicare and Medicaid Services (CMS) mail out new Medicare cards with a new Medicare Beneficiary Identifier (MBI) to all members by April 2019.

The MBI will have the same number of characters as the current HICN (11), but will contain uppercase alphabetic and numeric characters throughout the 11-digit identifier. The MBI will occupy the same field as the HICN on Medicare transactions and be unique to each beneficiary (e.g., husbands and wives will have their own unique MBIs).

**MBI Generation and Transition Period**

The rollout of MBIs will occur in phases. Here are some important milestones:

- All new Medicare cards issued in April 2018 and later will feature an MBI instead of an HICN
- Medicare enrollees who were enrolled in Medicare prior to April 2018 currently have a Medicare card featuring an HICN. These members will receive new Medicare cards with an MBI replacing their current HICNs; new cards will be mailed out between April 2018 and April 2019.
Is Your Beneficiary Information Current?

It’s important to keep your Designation of Beneficiary information up-to-date with CTPF.

Life events such as marriage, birth of a child, divorce, or death may necessitate changes to your designation. If you’ve recently experienced one of these life events, are unsure if your beneficiary information is up-to-date, or have never designated beneficiaries with CTPF, please take a few minutes to complete the Designation of Beneficiary form (Form 105) attached in this newsletter and also available at www.ctpf.org.

The form needs to be signed in the presence of a notary, and we recommend making a copy for your records. The original, notarized copy should be submitted to the CTPF office at:

Chicago Teachers’ Pension Fund
Attn: Member Services Dept.
203 North LaSalle Street, Suite 2600
Chicago, Illinois 60601-1231

MEDICARE CARD CHANGES CONT.

Reminder: Medicare will begin its Social Security Number Removal Initiative in 2018. Under this program, Medicare will no longer use the Social Security number as the basis for the Medicare Claim Number or display gender and signatures on their cards.

All Medicare members will receive new cards from the Centers for Medicare and Medicaid Services by April 2019. CTPF will update new HICNs for existing Medicare members automatically based on a report from CMS. There is no need to send us a copy of your new Medicare card.

### Returning to Work After Retirement

The Illinois Pension Code provides that a CTPF retiree may return to work as a temporary and non-annual employee for the Chicago Board of Education and/or Chicago charter schools (Employer) under certain limited circumstances. The CTPF Board of Trustees recently amended the re-employment rules to provide additional information for retirees who are independent contractors, employees of third-party contractors, or employees of other vendors who contracts with the Chicago Board of Education or a Chicago charter school.

Retirees who return to work for an Employer on a permanent or annual basis are subject to cancellation of their retirement benefits on the date re-employment begins. Return to work violations for temporary re-employment have been increasing in recent years. Violations tend to have serious financial consequences to those that exceed the work limits, including:

- Suspension of future retirement benefits through the end of the school year
- Repayment of retirement benefits from the date the limit was exceeded through the end of the school year, including health insurance subsidies received

All CTPF retirees will be receiving a packet detailing the updated re-employment rules and containing the forms required for notifying CTPF of temporary or permanent re-employment.
RETURN TO WORK LIMITS FOR NON-PERMANENT RE-EMPLOYMENT BY CHICAGO PUBLIC & CHARTER SCHOOLS: The following chart summarizes the current employment and compensation limits, effective as of July 1, 2017.

IMPORTANT NOTE: Return to work limits also apply to retirees who are employees of third party contractors, employment agencies, and/or third party vendors if the retiree returns to work in a position requiring an ISBE license/certificate. A retiree with a contract or agreement that characterizes the retiree as an independent contractor is also subject to the return to work limits if the retiree provides services that require an ISBE license/certificate.

RETURN TO WORK REQUIREMENTS

ACKNOWLEDGE/NOTIFY: All retirees must complete CTPF Form 717, Acknowledgement of CTPF Rules Governing Re-employment, which details the current return to work limits, compensation limits, and a retiree’s obligation to notify CTPF. If you intend to work for the Chicago Public or Charter Schools on either a temporary or permanent basis, you are required to notify CTPF before beginning your re-employment. For temporary work that will not exceed the re-employment limits, you must fill out CTPF Form 770, Notice of Return to Work: Temporary or Non-Annual Re-employment, and return it to the CTPF via postal mail or fax. For permanent work or annual work, which will result in the cancellation of pension benefits, you must fill out CTPF Form 771, Notice of Return to Work: Permanent of Annual Re-employment. CTPF Forms 717, 770, and 771 can be found in the packet mailed to retirees, online at www.ctpf.org, or call our Member Services Department at 312.641.4464 to have copies mailed to you.

TRACK: Remember that any portion of a day worked is considered one day worked (unless you are a retiree that teaches ONLY Drivers Education; see table above for clarification). You must independently track your own days worked; do not rely on your employer’s scheduling system to track the number of days or hours you have worked. Track your days by using a calendar, spreadsheet, or other system that you alone maintain, and make sure to monitor your time worked closely.

RECONCILE: Update your personal tracking record with each paycheck. The number of hours and days you are paid is what is reported to CTPF, so be sure to report errors to your employer to have them corrected as soon as possible. Once the calendar/tax year closes (i.e., December of each year), corrections may not be possible, so it is in your best interest to closely monitor your paychecks.

BE VIGILANT: You will not receive a warning if you are getting close to working the maximum 100 days, so be vigilant when tracking your time worked. Only you are responsible for tracking your days.
