425 S. FINANCIAL PLACE
MISSION STATEMENT
To provide, protect, and enhance the present and future economic well being of members, pensioners and beneficiaries through efficient and effective management of benefit programs, investment practices, and customer service, and to commit to earning and keeping the respect and trust of the participants through quality service and by protecting retirement benefits, in compliance with applicable laws and standards.

EXECUTIVE DIRECTOR’S MESSAGE
We look forward to continuing to CREATE LASTING INITIATIVES that will bring POSITIVE CHANGE for the Fund, and drive VALUE and SUCCESS for members today and for the next 125 YEARS.

It is that time of year when the weather gets crisp and homecoming events are plentiful. I was impressed by the stories of how teamwork created personal success. Speakers acknowledged those who helped them achieve success, credited peers for creating an environment that fostered inclusion, and they talked about how the pursuit of personal excellence was for the benefit of the team. Team thinking is often at the core of both individual and organizational success. This is the culture we strive for at CTPF where the combined talents of many equate to the success of each individual and those we serve.

It is thanks to teamwork that on November 22, 2019, we moved from 203 North LaSalle Street to our new home at 425 South Financial Place, Suite 1400. While the physical move is less than a mile, our preparation and work that brought us to this day has been more than a year in the making. We are excited to have a new, safe and secure, fully handicapped accessible property. Our new office has excellent access to public transportation and parking, along with conference rooms and meeting space for member-facing events. Please go to ctpf.org/onthermove for updates and to find additional information on parking and security requirements at our new building. Our Town Hall Webinar on December 11, 2019, will include a video tour of our new space (register at ctpf.org/calendar), and our Winter Pension News issue will highlight the new facilities.

The work of our investment team has been featured on a national stage in the past few months. Special thanks to Chief Investment Officer Angela Miller-May for representing CTPF when she testified before the U.S. House Committee on Financial Services Subcommittee on Diversity and Inclusion hearing entitled, “Diverse Asset Managers: Challenges, Solutions and Opportunities for Inclusion.” Since the early 1990’s, CTPF has been a leader in this area — prioritizing the opportunity to support minority, women, and persons with disability (MWDBE) firms — and we are proud of to share these accomplishments on a national level.

These are just a few of the ways we are working to create success for all. When we work toward a shared goal, we achieve so much more than if we go it alone. We look forward to our continued collaboration.

Today, more than ever, we recognize that fiscal health and well-being is also tied to effective management, streamlined operations, transparent communications, and excellent customer service. Our move to 425 S. Financial Place, which includes technology enhancements and improvements which will allow us to better serve our members, is just one example of how we strive to continuously improve. Looking ahead, CTPF will celebrate its 125th Anniversary in 2020. We look forward to continuing to create lasting initiatives that will bring positive change for the Fund, and drive value and success for members today and for the next 125 years.

2020 OPEN ENROLLMENT
More than 550 members attended CTPF’s Health Insurance Open Enrollment Seminars held October 8th and 10th. The seminars provided an overview of 2020 health plan choices, changes, and costs, and included question and answer sessions following the presentations. Health plan vendors were available at the seminars to answer individual questions.
CTPF Moves to South Loop

CTPF relocated to new office space at 425 South Financial Place, Suite 1400, on November 22, 2019. The CTPF Member Services and Administrative offices occupy the 14th floor. The 15th floor includes a Board Meeting Room and space to accommodate Trustees, members, visitors, and staff attending meetings and other CTPF events. The location includes ample underground parking for daily visitors, direct access to public transportation, and immediate access to highways.

CTPF estimates savings of about 14% per year compared to the cost of the current location. Overall, CTPF estimates savings of $3.8 million over the next 15 years. The majority of the cost of the move will be covered by the Tenant Improvement Allowance, provided by the new landlord.

“When considering the move our priorities included cost, proximity to public transportation and easy access for drivers, ample in-building parking with reduced daily rates, a fully handicapped accessible property, security and safety for members, staff and visitors, and access to conference rooms and meeting space for member-facing events,” stated CTPF Board of Trustees President, Jeffery Blackwell. “We are pleased that this location meets those goals and we are looking forward to a modern office that will provide additional meeting space and amenities to more effectively support our members.”

The hearing was led by Committee Chairwoman Joyce Beatty (D-OH), and explored the challenges minority- and women-owned firms face trying to compete in the asset management industry, and discussed legislation to increase the use of diverse asset managers by institutional investors.

“We are pleased to have the opportunity to bring national attention to the challenges minority, women, and persons with disability (MWDBE) firms face and the importance of including them in the conversation,” stated CTPF Board of Trustees President Jeffery Blackwell. “Since the early 1990’s the Fund has been a leader in this area – prioritizing these investments and relationships.”

Meet & Greet with Representative Robinson

On Saturday, August 10, 2019, following the festivities of the 90th Annual Bud Billiken Back to School Parade, CTPF members continued the celebration and shared some community spirit at a Meet and Greet with Illinois State Representative Lamont J. Robinson, Jr.

CTPF Members from Representative Robinson’s 5th District along with CTPF’s elected Trustees and staff enjoyed the opportunity to get to know Representative Robinson, his chief volunteer (and mom) Mary Robinson, a retired CPS teacher, and enjoyed a special visit from Alderman Walter Burnett (27th Ward) and his wife Darlena Williams-Burnett. The Alderman’s ward covers a part of Rep. Robinson’s 5th District. Nearly 1,700 CTPF members live in the 5th District.

Rep. Robinson, Alderman Burnett, and Charles A. Burbridge, Executive Director all greeted guests who enjoyed the opportunity to share their thoughts. CTPF shared materials about its operations, including The Buck Stays Here, the Fund’s economic impact statement.

10th Annual Reports on Illinois Economic Opportunity and Investment Diversity Released

CTPF submitted its 10th annual report on Illinois Economic Opportunity Investments to the Governor and the Illinois General Assembly and its 10th Annual Report on Diversity to the Illinois Senate. Both reports demonstrate the CTPF Board of Trustees’ continued commitment to economic development opportunity in Illinois while supporting and expanding investments with minority, women, and disadvantaged business enterprises (MWDBE) managers.

As of June 30, 2019, CTPF employed 18 Illinois-based investment managers who managed assets with a market value of $3.3 billion. These assets represented 34% of CTPF’s investment portfolio. The report highlights CTPF Trustees commitment to selecting Illinois-based managers, with all other factors being equal.

The Senate Report examines the Fund’s efforts to support and invest with MWDBE and emerging managers. CTPF invested 44.4% or $4.7 billion with diverse managers in 2019, and has exceeded its diversity goals since 2009.

Return to Work Changes Effective July 1, 2019

The CTPF Board of Trustees recently amended the re-employment rules due to the passage of Public Act 101-0340, which increased the number of days a retiree may work as a temporary and non-annual employee in a Chicago Public School, in a Chicago charter school, or for another Employer (Employer). Retirees who return to work for an Employer on a permanent or annual basis are subject to cancellation of their retirement benefits on the date re-employment begins.

PA 101-0340, effective July 1, 2019:

- Raised the allowable number of days worked to 120 (a day is defined as 1 hour or more)
- Changed the compensation limit for Administrators to an amount equal to the daily rate normally paid to retired principals multiplied by 100

Re-employment does not require contributions, result in service credit, or constitute active membership in the Fund. A retiree who exceeds either the Employment Limit or the Compensation Limit exceeds the statutory return to work limitation, which may have serious financial consequences, including:

- Suspension of future retirement benefits through the end of the school year
- Repayment of retirement benefits from the date the limit was exceeded through the end of the school year, including health insurance subsidies received

**ACKNOWLEDGE/NOTIFY:** All retirees must complete and return CTPF Form 717. Retirees who plan to return to temporary work in Chicago Public or Charter Schools must complete CTPF Form 770. Retirees who return to permanent work or annual work which will result in the cancellation of pension benefits, must fill out CTPF Form 771.

CTPF sent retirees a mailing with rules and forms in September. Forms can also be found online at ctpf.org, or requested from Member Services at 312.641.4464.

**IMPORTANT NOTE:** Limits also apply to retirees who are employees of third party contractors, employment agencies, and/or third party vendors if the retiree returns to work in a position requiring an ISBE license/certificate. A retiree who works as an independent contractor is also subject to the return to work limits if the retiree provides services that require an ISBE license/certificate.

**RECONCILE:** Update your personal tracking record with each paycheck and check the number of hours and days you are paid. Report errors to your employer to have them corrected. Once the calendar/tax year closes (i.e., December of each year), corrections may not be possible.

**BE VIGILANT:** You are responsible for tracking your time/days. You will not receive a warning if you are getting close to working the maximums. Be vigilant when tracking your time.

For more information about returning to work, please visit ctpf.org/returning-work.
Security Enhancement for 1099-R Forms

As an added security measure, Social Security numbers on 1099-R forms issued in 2020 will be truncated (**-**-1234). Replacing the first five numbers with asterisks will help protect member personal identifying information in accordance with Internal Revenue Service protocols.

The electronic Form 1099-R sent to the Internal Revenue Service will include the full nine-digit Social Security number for matching purposes.

CTPF will issue 1099-R forms by January 31, 2020.
